

GLITTER SILVER SPRAY DECORATION 400 ML

Product code: E230320

FORMULATION aerosol

Characteristics

it is the ideal product for do-it-yourself and decoration. Thanks to its special formulation it can be used on floral arrangements obtained with fresh, dry or silk flowers or to make decorations with several materials like ceramic, wood, stone, metal and glass. The product dries quickly giving surfaces silver glints.

Instructions

spray shortly and repeatedly from a distance of 30 cm from the surface to treat. The surface will be completely dry and bright after 10 minutes.
